K8S, ELK, C#.NET, JavaScript

I am a Computer Science Student at the University of Leeds. I want to use all my knowledge in the field of programming and leadership to develop a career in IT and build meaningful and high-quality software.

Education

Sep. 2020 - Current

Bachelor of Science: Computer Science

University of Leeds - School of Computing – Leeds, UK
First year finished with an **83%** grade.

Nov. 2018 - Oct. 2019

Erasmus+ Student

- Taken part in debating over new political issues in the EU
- Learned how the EU Parliament and the EU Court of Justice work during some activities with real world applications

Sep. 2016 - Jun. 2020

High School

"Nicolae Bălcescu" National College – Brăila, Romania
Field of study: **Mathematics - Informatics**
Finished with a **97.2%** grade.
At the Romanian Baccalaureate (equivalent of A levels) I achieved **93.6%** overall, **100.0%** in Informatics, **97.0%** in Mathematics and **84.0%** in Romanian.

Work History

Nov. 2021 - Current

Junior Software Engineer

R Systems Computaris Europe

- Learned Docker, K8S and ELK in the ramp up for the projects ahead
- Developed part of the Kibana interface that resulted in the changes asked by the client

Sep. 2021 - Oct. 2021

Intern C Developer

R Systems Computaris Europe

- Taken part in a variety of exercises that put to test my knowledge and subsequently resulted in me being promoted.
- Enhanced my knowledge in the field of C programming but also Git

Jul. 2018 -
Aug. 2020

Software Administrator

Cinefeel Brăila - Art House Cinema, Brăila, Romania

Responsibilities:

- Managed all hardware and software around the cinema
- Conducted the nomination of movies for future projections and analysing what are trends in peoples' opinion
- Delivered the movie projections and anything that that involved

Accomplishments:

- Created a new, sustainable cinema

Voluntary Work

Sep. 2019   **Logistic Manager** - "Brăila Science Festival"

- Organizing a professional team to make the event, where more than 500 people were involved, possible
- Motivating team members and taken initiative in moments of need

Nov. 2018   **Editor-in-chief** - School's magazine

- Managed a team to establish a new design for magazine and gather articles
- Made contract with typography and printed 500 copies
- Took initiative in moments of need and led the team closer to the desired outcome

Sep. 2018 -   **Member** – Romanian Youth Forum
Aug. 2020

- Directed a professional team in arranging more than ten events in this period
- Organised a general knowledge competition in which all gathered money where donated
- Promoted workshops in which I acquired the next skills: debating, communication skills, team management, leadership
